Buy a Brick, Build a Garden

The Awareness Garden grows greater awareness, support and healing for those impacted by cancer. From our public remembrance garden at the entrance to Blackwater Creek Trail, to our advocacy and outreach, we seek to foster deeper connections between cancer patients and survivors, caregivers and the community at large.

We invite you to honor a loved one by purchasing an engraved brick to be placed in the walkways throughout the garden. Proceeds will help maintain the garden, establish an endowment and promote cancer awareness through community education and scholarship programs.

The Awareness Garden has naming dedication ceremonies each year in the Spring. Brick order deadlines are March 1.
